

Carries State  
By 8,000Kentucky Remains in Democratic  
Column By a Close  
Vote.

Special to The News.

LOUISVILLE, Ky., November 4.—According to incomplete returns at the headquarters of both political parties and from various other sources received here it appears that Bryan will get the Electoral vote of Kentucky by a majority that will range between 8,000 and 12,000.

Kentucky's majority for Bryan is not far away from what it gave Parker in 1904. The Democrats, however, increased their majorities in Democratic districts this year over 1904, and likewise the Republicans gained in the Eleventh District over their 1904 vote.

The First District held its own, and will, it is believed, show a Democratic majority of 10,000, while the Democratic ticket in the Second District is thought to have won out by a majority much higher than was expected. It is believed here that the vote will be between 4,000 and 5,000, and that Representative A. O. Stanley will be returned to Congress by that figure.

R. Y. Thomas, Jr., the Democratic nominee in the Third District, is a sure winner, having a lead over his opponent, A. D. James, of about 900 or 1,000 votes.

In the Sixth District the Democrats showed big gains, and the Seventh gave Bryan and Cantrill 6,700.

Harvey Helm, with two or three counties missing in the early returns, is figured a winner by about 2,000.

In the Tenth District several of the biggest Democratic counties showed a falling off, and it now appears that John W. Langley has simply centered in his race for Congress against Amos Davis.

In the Eleventh District the returns might give the impression that the Republicans in the mountains were still voting, for the Republican majority has already reached 22,500, and may go higher.

RETURNS ARE  
SLOW IN OHIOTaft Wins State But Race Doubtful  
In Gubernatorial Con-  
test.

Special to The News.

COLUMBUS, O., Nov. 4.—The returns are slow in coming in. The great length of the ballot has delayed the count. The present indications are that Taft carries Ohio by 50,000 and that Harmon, Democratic candidate for Governor, is elected by 10,000.

It is doubtful if the rural districts will reduce Harmon's plurality. No returns on State ticket as yet.

Cox is elected to Congress in the Third district and Longworth in the first. The Democrats elect the other member of Congress from Cincinnati, making a Democratic gain of one.

Harris for Governor loses Hamilton county by 5,000; Lucas by 1,000; Cuyahoga 2,000. He carries Franklin by 2,000 and is making steady gain on Harmon.

Chairman Williams of the Republican State Central Committee at noon claims Harris has been elected by 25,000.

COLUMBUS, O., Nov. 4.—1731 precincts out of 4430 in the State give Harris 190,193; Harmon 206,561.

CINCINNATI, O., Nov. 4.—Harmon declares that he feels confident that if ratio of gain continues his plurality will reach eighty or ninety.

CINCINNATI, O., Nov. 4.—1762 precincts give Harris 194,454; Harmon, 209,760.

INDIANAPOLIS, Ind., Nov. 4.—The returns are coming in slow. There is a big ticket to be counted and much scratching has been indulged in by the voters. The latest news points to Taft's majority as slightly over 15,000 with Marshall, Democrat, elected Governor by a close margin.

INDIANAPOLIS, Nov. 4.—1762 precincts give Watson, Republican, 197,005; Marshall, Democrat, 206,361. Charles Landis, Republican, in the ninth district has been defeated for Congress; Ralph Moss, Democrat, in the fifth district is elected.

Republican May  
Carry TexasSimpson For Governor is Cutting into  
Democratic Candidate  
Badly.

Special to The News.

AUSTIN, Texas, November 4.—It is estimated that the total vote cast in Texas yesterday did not exceed 300,000. Bryan has carried the State by probably 150,000 over Taft. The most surprising feature of the election is the phenomenal vote cast for John N. Simpson, Republican candidate for Governor. The count is proceeding slowly, but enough is known to show that he has carried all the larger cities and many of the more populous counties of the State.

Austin, San Antonio, Dallas, Waco, Houston and Beaumont gave him large majorities. If the vote all over the State is of the same ratio as in the cities and towns so far heard from, he may be elected over Governor Campbell, Democrat, by a small majority.

BRYAN RECEIVES  
ELECTION NEWSDemocratic Leader is Bitterly Dis-  
appointed at New York  
Result.

Special to The News.

LINCOLN, Neb., Nov. 4.—William J. Bryan last night received at his home in Fairview, the returns which early told him that for the third time he had been defeated in the greatest ambition of his life. Confident of victory to the very last, he was not prepared to believe that his cause was lost until the pluralities of his opponent piled up in such proportions as to leave no room for doubt.

When the early returns came in he made particular inquiries regarding the State of New York and found much encouraging news in the gains he was making up-State over the Democratic vote of 1904, but as the figures continued to be received he relied on Greater New York to offset the heavy Taft vote above the preliminary vote.

Even in that he was bitterly disappointed, and he soon realized that the State was hopelessly gone, and with it his prospects of being elected. According to the predictions of his managers, he was led to believe that he would be elected without the aid of the Empire State and he turned his inquiries toward Ohio and Indiana.

NO DELAY IN START  
ON AFRICAN HUNTRoosevelt Plans to Sail Five Days  
After He Relinquishes  
Office.

NEW YORK, Nov. 4.—It is reported here that President Roosevelt has made all preparations to sail for his African hunt nine days after the inauguration. His son, Kermit, a Smithsonian Institute professor and naval official, with photographers and servants, will make up the party. They are due to reach Naples, March 25, and travel thence to Mombassa via the Suez Canal.

So far no arrangements have been made for the six months the party will spend in Uganda province, between the coast and Port Florence, a distance of 584 miles. On Lake Victoria, Nyanza the party will embark for Entebbe, in Central Africa. One thing is certain, Mr. Roosevelt will not enter the Congo territory.

President Roosevelt has received an invitation from Mr. McMillan, nephew of the late Senator James McMillan, of Detroit, who owns 50,000 acres of forest, mountain and jungle in the Nairobi district of Uganda, to shoot over his estates and use the comfortable shooting boxes that have been erected in various sections where big game is to be found.

ARISTARCHUS  
IS THE THEMERev. William Cumming Delivers Talk  
at Public School  
Wednesday.

Rev. Wm. Cumming of the First Presbyterian Church spoke at the Public School this morning taking as his topic "Aristarchus."

Who was he? Do any of you know?

Because you do not I want to talk about him. Because he was an unknown man. Only mentioned four times in the Bible. We have no record of anything he ever said or anything he ever did. He is like you and me, the ordinary people of the world. The reason he is worth speaking of at all, is the record which shows that he was always "on the spot." That he could be absolutely counted on. You always could know where to find him.

One day the Apostle Paul met him, won him for Jesus Christ and won him to himself. From that time you know where to find him. Paul's companion on his journey, recognized as Paul's friend when they wanted to punish somebody at Ephesus; Paul's fellow, prisoner at Rome, no charge against him but he must stand by his friend.

This made him a man worthy of more than a passing thought. Any man is great because he makes the most of his individuality, that it may count for the most and then surrenders that individuality in the service of a great cause.

What makes Washington the greatest name in this country? What he was himself, or that self given, surrendered for his country's good. What made Saul of Tarsus the greatest man in history? His splendid genius or the laying of all his grand personality at the feet of the man of Galilee.

One Aristarchus, unknown, honored and unsung given in answering friendship to Paul because of the Lord whom Paul served, like Ruth the Moabites in her surrender to Naomi and Naomi's God, gives the inspiration that may come to any life, for the best thing God can say to the greatest or the humblest man that ever lived is "Well done, good and faithful servant, enter thou into the joys of thy God."
